Google Document Extension: **Doc Exp**

By: Chase P., Marcus S.,Richard F., Mark M., and Kellan M.

Why?

Our Reasoning

- Easy Collaboration
  - Working together is much easier when other ways of communication are not available
- Organization
  - Helps users stay organized on work

Agenda

1. Purpose
2. Features
3. Demonstration
4. What went well & Stretch Goals
5. Concluding Statements

Features

To help people stay organized, we added features to google docs.

Chat System

The chat system is a pop-up that opens from the chat system. It has features such as:
- Name system
- Filtering System
- Reply System
- Dark Mode

Doc Chat: 1d18BP_v4e...

Integration

Stretch
Goals

- **Make UI fit the google style and layout**

- **Compatibility with Google Slides**

- **Chat System Improvements**

- **Dark Mode for Google Doc Document**
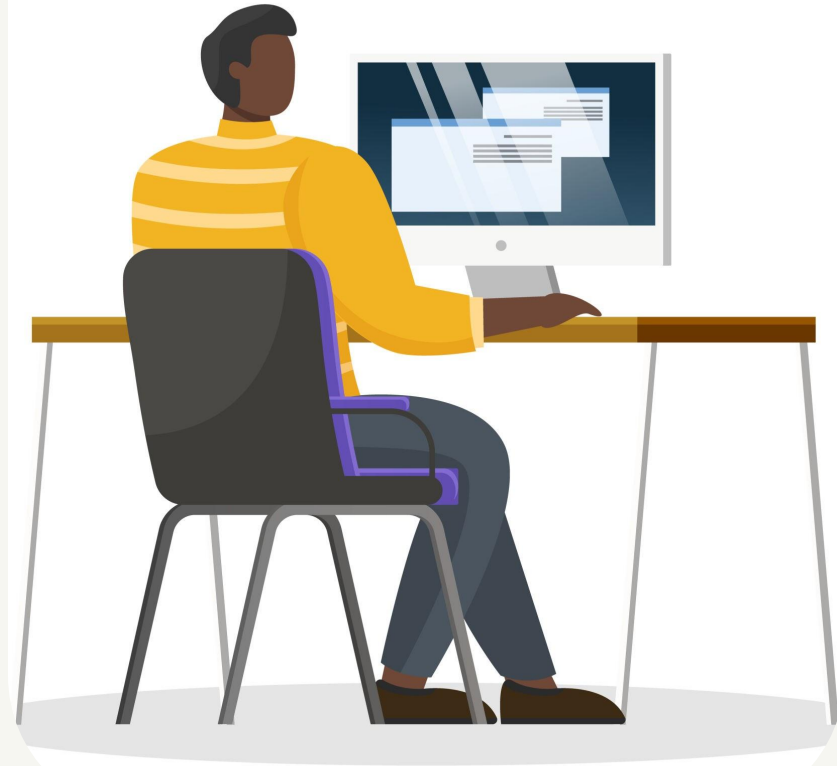

Dark Mode

Slides

UI

Improvements

Conclusion

DocExp is an effective app to help students communicate with other students using a:

- Chat System
  - Including Dark Mode
- Checklist

While incorporating quality of life features that make using are app feel more smooth and personalized.

Over all we hope to extend our reach with our app to slides and sheets.

Thank You
